

SKILL AND JOB RECOMMENDER

Anbaran's Idea

Addition of attended interviews to the resume. Relevancy based upon any attended internship. Bot assistant and chatbox for user's comfort.

Tavamani's Idea

Better jobs with the same skill. Asking for feedback and ratings from the user. Providing the complete details related to the companies.

Santhosh's Idea

Having separate search algorithms

1. Global job aggregators
 2. General job aggregators
 3. Niche job aggregators
- Proper algorithm to reduce job seeking time.

Aravind's Idea

Salary rate comparisons for filtering
Job fair recommendations for the awareness of the candidates.
Checking falsified information.
