

## Setting up Application Environment

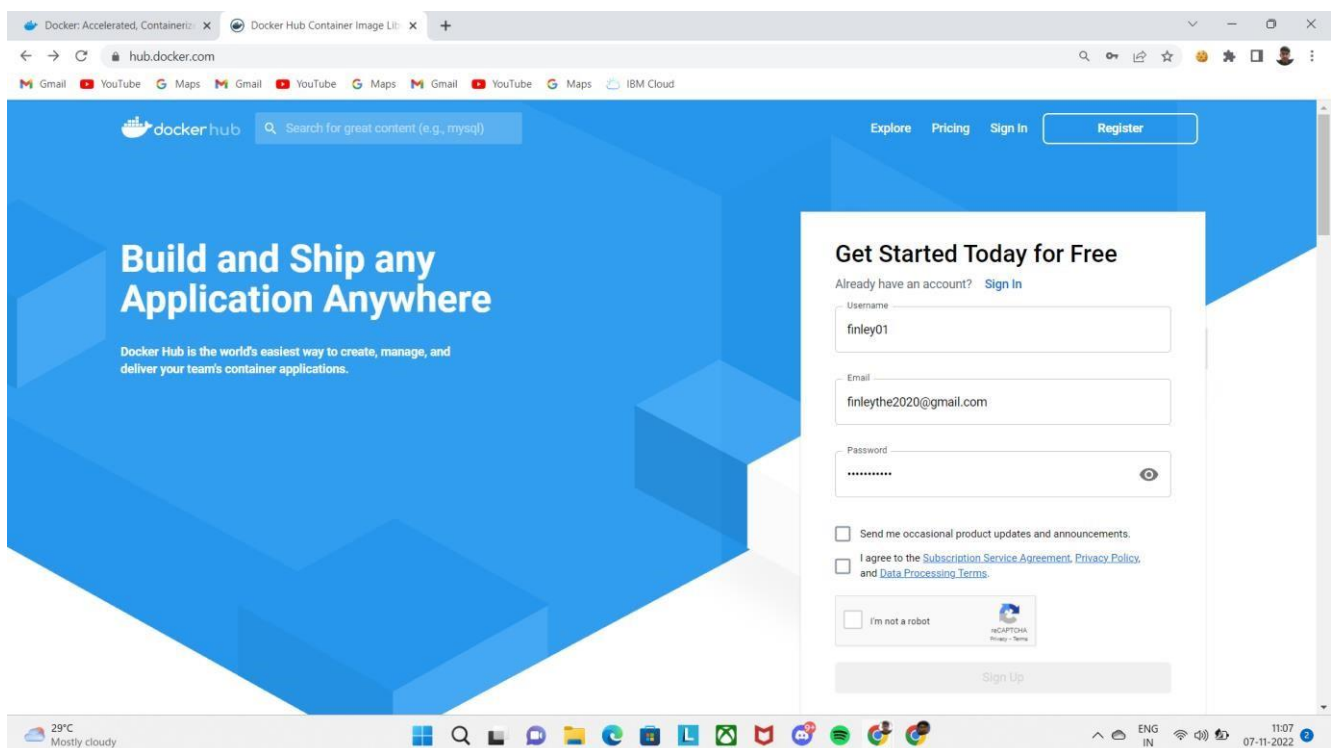

### Docker CLI Installation

Date	27 October 2022
Team ID	PNT2022TMID48781
Project Name	Skill/Job Recommender Application

**Step 1.** Download Docker from [docker.com](https://docker.com) and install it by running the Docker Desktop Installer.exe file

**Step 2.** Go to [hub.docker.com](https://hub.docker.com) register and create an account and login with the same

The screenshot shows a web browser window with the Docker Hub website. The page has a blue header with the Docker Hub logo and a search bar. The main content area features a large blue graphic with the text "Build and Ship any Application Anywhere" and a sub-headline "Docker Hub is the world's easiest way to create, manage, and deliver your team's container applications." On the right side, there is a white registration form titled "Get Started Today for Free". The form includes fields for Username, Email, and Password, along with checkboxes for "Send me occasional product updates and announcements", "I agree to the Subscription Service Agreement, Privacy Policy, and Data Processing Terms", and "I'm not a robot" (with a CAPTCHA icon). A "Sign Up" button is at the bottom of the form. The browser's address bar shows "hub.docker.com". The Windows taskbar at the bottom displays the date and time as "11:07 07-11-2022".

Build and Ship any Application Anywhere

Docker Hub is the world's easiest way to create, manage, and deliver your team's container applications.
